## *2025 – 2026 Application for Transportation to/from Alternate Address or Day Care Location*

If your child(ren) require bus transportation to/from a babysitter or day care location next school year..... please read on.

Consistent with New York State Education Law 3635-1e, children in grades K-8 may be transported between the school the child legally attends and before and/or after school child care locations under the following conditions:

1. The parent or legal guardian for the child must submit their request for transportation in writing no later than **April 1, 2025. It is not the responsibility of the Day Care Provider to submit the form.** New residents must apply within 30 days of establishing residency in the Hendrick Hudson School District. If you are unsure, submit the paperwork by April 1, 2025, you can always withdraw it if your situation changes.

Day care/babysitter transportation applications must be filed annually by April 1<sup>st</sup> of the preceding school year or transportation may not be available. Transportation applications are not carried over from year-to-year. Applications received after the April 1<sup>st</sup> deadline may result in delay of placement until October or transportation denied. Bus Notes will **NOT** be honored.

2. The child care provider from or to which transportation is requested must be located within the boundaries of the Hendrick Hudson School District and within your school's attendance zone. See below.

If the child care is outside the attendance zone of the school the child attends, it must be a licensed day care provider pursuant to Section 390 of the Social Services Law. Babysitter locations NOT licensed or registered under Section 390 are restricted to the attendance zone of the school attended.

We will **not** release **any** student(s) to an out of district daycare provider at a student's bus stop. **If you choose an out of district day care provider for your child, make arrangements for your child to be picked up at school.**

3. Requests for transportation must be from a consistent location in the morning and to a consistent location in the afternoon. **Transportation to and from different locations, depending on the day of the week, will not be permitted.**
4. We do not transport to day care providers outside of the Hendrick Hudson School district boundaries. Please see #2 above.
5. We do not transport elementary students to after-school activities (such as dance, tae kwon do, etc.) OR any type of religious instruction.
